A great alternative to school sixth forms

Shouldn't you be revising?

It's not just sixth forms that have high standards. Our Level 3 Extended Diplomas are equivalent to three A Levels; do you really think we'd let just anybody onto one?

Take time to prepare for your exams. They're what will get you into college and what will help you in your career. So when you're a bag of nerves the night before and your dreams are filled with fear, just remember this:

We'll be here for you when they're over.

Good luck.
