*"Using Positive Media to help with our Business Promotion as a new start up last year was definitely the right move. We placed two posters in a high foot traffic areas and we've had great feedback from them both increasing public awareness of our offering and bringing new customers. The customer service from Simon has also been excellent. I'd recommend them wholeheartedly"*

Dr Adam Nulty BChD MJDF RCS Eng PGCert MSc (Dist.) Implant Dental Surgeon, Dentist On The Rock

*"The ads in the toilets at Atlantic Village and Green Lanes have worked well. I have gained work from them and they have created a bit of humour with the people that have seen them"*
